SCHOOL POLICIES 2014-15

I - ATTENDANCE PROCEDURES

Attendance

Parents, please phone the school between 7:45 and 8:30 a.m. to indicate that a student will be absent. If the school receives such notification it will not be necessary to provide a subsequent note. If the school has not been notified on the same day of a student's absence, parents are required to write a note for the student to submit to the office upon his/her return to school. The automated calling system will notify parents of unexcused absences. Students 18 years of age and over are asked to telephone the school to report their absence.

Note of Absence

This note should include: 1) the date on which the note was written; 2) the reason for the absence; 3) the date(s) of the absence; 4) the signature of the parent or legal guardian; 5) a telephone number where parent/guardian can be reached before 2:45 p.m.

Lates

High School students arriving to school between 8:40 and 8:50 a.m. will report directly to homeroom class. Grade 7&8 students arriving after 8:40 a.m. must sign in at the main office and obtain an admit slip to enter class. High School students arriving late to school, after 8:50 a.m., shall not be admitted to any class unless they have reported to the office and have obtained an admit slip.

Early Leaving

Students who must leave the school for any reason at any time before daily dismissal at 2:50 p.m., are required to show a note to their teacher and then proceed to the main office with the note to sign out. This note should include:

- Date on which the note was written
- Reason for which the student must sign out
- Time at which the student must sign out (not the time of the appointment)
- Signature of a parent or guardian
- Telephone number where the parent can be reached for verification (if necessary)

If a student must leave early due to illness he/she must report to the office and obtain parental approval.

II - INCLEMENT WEATHER POLICY

In the case of inclement weather, buses may not operate on their regular routes. Parents and students are encouraged to listen to local radio stations and to check the school website to remain informed about these occurrences. Students who do not take the bus to school are expected to attend classes as usual. Regular attendance policies will be in place. If your child normally walks to school and will not be attending on an inclement weather day, please call the attendance line to approve your child's absence for the day. Please note: the school servery may not be open for service on inclement weather days. Please try to ensure that your child comes to school with a lunch that day as the servery will be closed.

We are kindly requesting that parents who wish to contact their children during school hours for emergencies, call the main office.

V - ACADEMIC INTEGRITY

The Ottawa Catholic School Board challenges students and staff to practice Christian values and to strive for academic excellence. Academic integrity is considered a critical learning for all subject areas. Only work that honours academic integrity will be considered for assessment. Therefore, a student's success will be compromised by academically dishonest work. In addition to the academic implications, academically dishonest behaviour leads to behavioural consequences. A school administrator will determine the range of these implications and consequences.

VI - STUDENT ACTIVITIES

Students participating in school activities are expected to maintain the academic, attendance and behavioural standards of the school. Failure to do so could result in suspension from the activity and or team. The following guidelines will apply:

- 1. A student's academic status may affect his/her eligibility for extra-curricular activities. (e.g. athletics, play, weight room etc. etc.)
- All students participating in extra-curricular activities must be registered and attending classes as fulltime students.

 - c) removal from the extra-curricular activity.
- 4. All students participating in an extra-curricular activity must have attended at least one half day of school on the day of practices, games, performances etc., in order to be eligible to participate in the above.

If a student has been found in possession or under the influence of alcohol or drugs at any time during the school year, the student may forfeit the right to participate in future extra-curricular activities.

NOTE: All cases will be handled on an individual basis and extenuating circumstances will be taken into consideration.

VII - COMPUTERS/ELECTRONIC TECHNOLOGIES

Computer access is available to all students at Mother Teresa High School. We are pleased to have Internet access, as we believe it offers valuable, diverse, and unique resources to both students and teachers. Our goal in providing this service is to promote educational excellence by facilitating research and communication.

Access to the global e-community requires responsible and accountable behaviour on the part of students. Some materials may not be considered of educational value in a school setting.

Parents / guardians are warned that some material obtained via the Internet may contain items that are illegal, defamatory, inaccurate, or potentially offensive. We have taken precautions to restrict access to controversial materials.

We believe that the benefits to students from on-line access far outweigh the possibility that users may procure material that is not consistent with our educational goals.

The purpose of this agreement is to ensure that use of computer resources is consistent with the Catholic values of our school board. If a user violates any of these provisions, his or her account may be terminated and future access could be denied in accordance with the rules and regulations in this document.

School and Board administrators may apply additional sanctions. To gain access to the Board's network and the Internet, all students must agree to the terms and conditions of this document.

- 4. Network users are not permitted to transmit, request, submit, or publish any defamatory, inaccurate, abusive, obscene, profane, pornographic, threatening, offensive, racist, or illegal material. **No student user will download or load any file without the permission of his/her teacher.** Students, upon accidentally arriving at an inappropriate site, must follow the procedure "Stop, Back, Tell" Click the stop button, click the back button, notify the teacher.
- 5. Physical or electronic tampering with computer resources is not permitted. Damaging computers, or compromising security on computer systems or computer networks will result in cancellation of the user's privileges.
- 6. Network users must respect all copyright laws that protect software owners, artists and writers. Plagiarism in any form is not permitted. Credit in your bibliography persons whose work you use. Never steal other people's work and call it your own. Do not cut, copy, or plagiarize any work.

- 5. Never use or copy licensed software for which you have not paid.
- 6. Remember that **email is not private**.

VIII - CYBER-BULLYING

Neither the school's network, nor the broader internet (whether accessed on-campus or off-campus, either during or after school hours) may be used for the purpose of harassment. All forms of harassment in cyber-space, often called cyber-bullying, are unacceptable.

Cyber-bullying includes, but is not limited to, the following misuses of technology: harassing, teasing, intimidating, threatening or terrorizing another person by sending or posting inappropriate email, instant or text messages, digital pictures or images, or website postings (including blogs).

Sanctions may include, but are not limited to, the loss of computer privileges, detention, and suspension from school.

IX - SOCIAL MEDIA SITES AND ONLINE CONDUCT

The use of social media sites such as Facebook, Blogs, Twitter, MySpace, YouTube, and other similar sites can be effective communication tools. Where appropriate, school staff may choose to participate in school sanctioned online activities (example – A school Facebook site to promote a social justice activity or a school team). School sanctioned online sites will have a minimum of two school staff members with administrative privileges, where available.

Students are reminded that their online conduct should be similar to their face to face conduct and at all times should respect the school code of conduct.

Students may be disciplined, including suspension or expulsion, if their online behaviour results in a disruption to the school environment or negatively impacts our Catholic school climate. Online threats may be determined to be a criminal offence and as such, they may be reported to the school resource officer.

Students are not permitted to digitally photograph or record audio or video of school activity without first obtaining permission from those involved. A teacher or administrator may give permission for the digital recording of school activities and events (ie. sports game, spirit assembly, special presentation) where the participants are aware that they may be recorded. The online digital posting of classroom activity, and/or inappropriate student interactions (ie. student fight) is likely to have a negative impact on the school climate and/or violate the privacy of others who have not granted permission to be recorded, and as such requires teacher or administrative approval prior to being posted.

X - DETENTIONS

- 1. A teacher may assign a detention for class disruptions, incomplete homework, or repeated tardiness. Parents/guardians will be contacted by the teacher.
- 2. It is the student's responsibility to report to detention with sufficient schoolwork.
- 3. It is the student's responsibility to arrange alternate transportation home if necessary. The school does not provide bus tickets.

XI - EXAMINATIONS

- 1. Examinations will not be re-scheduled for holiday convenience and all appointments must be scheduled so as not to conflict with the exam schedule. Please consult the school calendar for exact dates (for exams).
- 2. Written January and June exams will be kept on file in the school until the end of September of the same calendar year.

XII – CULMINATING PERFORMANCE TASKS (CPT's or RST's)

In High School, the culminating task is a mandatory component of the student's summative evaluation. Since these are in-class assessments, students are expected to be in attendance on the scheduled date of the culminating task.

XIIL ELEVATOR KEYS

XXIX - STUDENT SERVICES DEPARTMENT

The Student Services Department is a multidisciplinary department consisting of:

- b) Special Education
- c) Co-operative Education
- d) Chaplaincy

Guidance Program

The guidance program is designed to help students:

- Understand and appreciate themselves
- Relate and communicate effectively with others
- Develop appropriate educational plans
- Explore career alternatives

Guidance teachers are available to provide assistance with any personal, vocational or academic concerns of individual students. Interviews with students may be conducted on a routine basis or at the request of students, parents, teachers or school administrators. Guidance teachers may also act as referral agents for students or parents requiring assistance of the Psychological Services Department of the Ottawa Catholic School Board or other community resources.

Peer Helping

Peer Helping at Mother Teresa High School is an organized program which provides opportunities for students to actively engage in helping other students. The Peer Helping Program will provide considerable assistance and support to many students especially the Grade 7 students. This program is based upon the premise that some students identify and learn from students their own age. Peer Helpers are responsible and possess the leadership abilities, helping skills, and caring attitudes needed to assist others. The work of Peer Helpers will be facilitated and monitored by a member of the Student Services Department, along with other staff members.

Tutoring Services

Tutoring services can be arranged through Student Services. Senior students who have expressed an interest in becoming a tutor are paired with younger students who need support. Arrangements regarding time, location, etc. are arranged between the individuals involved. *Contact Student Services for further information.*

Special Education

The Special Education Department provides services for exceptional students through a variety of strategies including in-class and withdrawal support for students experiencing academic difficulties and those qualifying for gifted programming. Students normally are identified through the Identification, Placement and Review process (I.P.R.C.).

Co-operative Education

Co-operative Education is a mode of learning which links school with practical experiences in a professional setting. Senior students may consider co-operative education during their high school experience.

English Language Learners and ELL and ELD Programs

Our school is blessed with great diversity. Mother Teresa High School is one of the several ELL Centres that offer ESL support within the Ottawa Catholic School Board. Our school is staffed with ELL teachers and trained teachers who support second language acquisition. At Mother Teresa we offer ELL support at both the Grade 7/8 and high school levels. The ESL program at Mother Teresa helps new Canadians to learn English and adapt to Canadian culture. At the high school level we offer five courses (ESLAO to ESLEO), as well as extra support in other subjects.

Course Load

Students in grades 9, 10 and 11 take a full program of 8 subjects.

Students in grade 12 are required to take a minimum of 6 courses, 3 each semester. To be eligible for study hall (a spare period for independent and quiet study), a grade 12 student must have acquired a minimum of 23 credits as of September of the school year in which they are requesting the study hall.

Policy for Course Changes

Students should note that under full disclosure Ministry of Education and Training policy, which came into effect September, 1999, all Grade 11 & 12 course attempts and results will be included on the student transcript.

Course changes will not be permitted except for extenuating circumstances. These will only be granted on a space availability basis with the approval from school administration.

Policy for Course Level Changes (Grades 9-12 courses only)

Level changes may be permitted up to five days following the mid-term report during each semester. When a level change occurs, the mark from the original course may carry over to the new one. There must be a real need to change levels and the following conditions are necessary:

- 1. Subject teacher and Department Head have been consulted,
- 2. Interview with a school counsellor is held,
- 3. Timetabling the change is possible,
- 4. Space exists in the course requested,
- 5. Approval of the Head of Student Services and school administration is given,
- 6. Parental approval for the transfer is given.

e-Learning

E-Learning options are available for some students who for various reasons require courses beyond what is available through the school. Students must meet with a guidance counselor to determine whether an e-Learning course is the appropriate delivery method for their timetable.

Policy on courses taken through Private e-Learning Schools

Students who enroll in e-Learning courses provided by a private school do so at their own risk and expense.

This school will only grant credits for courses delivered by a certified teacher in good standing with the Ontario College of Teachers. The student must obtain from the provider this standard of proof along with the evaluation report before a credit will be granted by the school.

It should be noted that most private e-Learning schools have late fees that the student must pay if the course is not completed within the time frame stipulated by the provider.

In addition to the cost of a course provided by a private e-school, the student is responsible to find and pay a valid Proctor. This could be a teacher, college or university official; an administrator in a testing center; public librarian; lawyer, doctor, professional engineer, minister, registered nurse or a chartered accountant. Relatives, friends, hired tutors or neighbors are not acceptable Proctors.

The school accepts no obligation for providing space for the proctoring of exams or tests. It is recommended that these take place at the closest public library.

XXX - VISITORS

- 1. All visitors to the school must report to the main office to sign in and obtain a visitor's pass. The visitor's pass must be worn at all times during the school visit.
- 2. Students are not permitted to bring guests or visitors to school during regular school hours, including the lunch hour.
- 3. Friends or relatives of students are not permitted to attend classes.

XXXI - WITHDRAWAL

Any student withdrawing from Mother Teresa must complete a withdrawal form in the Student Services office. The student's locker must be cleaned out and all books must be returned to the subject teacher. The appropriate school personnel must sign the withdrawal form to complete the process. No transcript will be issued until the withdrawal procedure is completed.

XXXII - CARE OF SCHOOL AND GROUNDS

The staff and students at Mother Teresa are very proud of our facility. We encourage everyone to take personal responsibility for keeping the school and grounds properly maintained.

CODE OF CONDUCT

Mother Teresa High School is a school that promotes responsibility, respect, civility, and academic excellence in a safe learning and teaching environment. We recognize that all people are created in the image and likeness of God, and as such, all people have the right to be treated with dignity, respect and fairness.

Mother Teresa High School's Code of conduct sets clear standards of behaviour that apply to our students as well as all individuals involved in our school community (parents, volunteers, teachers, and other staff members). These standards apply whether they are on school property, on school buses, at school-related events or activities, or in other circumstances that could have an impact on the school climate.

Students:

Students are to be treated with respect and dignity. In return, through acceptable behaviour, they must demonstrate respect for themselves, others, and the environment. Stuents must also act as responsible citizens. Respect and responsibility are demonstrated when a student:

- comes to school prepared, on time, and ready to learn;
- shows respect for himself or herself, for others, and for those in authority;
- refrains from bringing anything to school that may compromise the safety of others;
- follows the established rules and takes responsibility for his or her own actions.

Parents:

Parents play an important role in the education of their children and can support the efforts of school staff in maintaining a safe and respectful learning environment for all students when they:

- show an active interest in their child's school work and progress;
- communicate regularly with the school;
- help their child be neat, appropriately dressed, and prepared for school;
- ensure that their child attends school regularly and on time:
- promptly report to the school their child's absence or late arrival;
- show that they are familiar with the provincial code of conduct, the Board's Code of Conduct, and school rules;
- encourage and assist their child in following the rules of behaviour;
- assist school staff in dealing with disciplinary issues involving their child.

The complete school code of conduct along with the progressive discipline plan can be found on the school website. Copies can also be requested from the main office.

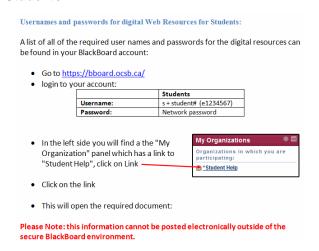

Staff and students at Mother Teresa Catholic High School are encouraged to strive towards self-discipline and continuous growth. Our key words are **LOVE AND DIGNITY**. Students are expected to behave in a manner that facilitates and generates respect in the community.

The Code of Conduct applies to all Board-sponsored events and school activities that may occur outside regular school hours.

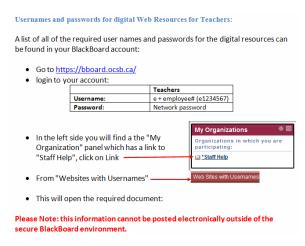

Electronic Resources for Students, Staff and Parents

The following resources are available to all students of the Ottawa Catholic School Board (for use at school **and** at home).
